HOW BPS STRUCTURES THIS

BPS Lettings takes the head lease from the landlord and sub-lets to the client. You deal with BPS as the head tenant — providing a single, reliable contracting party. Client identity is never disclosed to landlords until a formal introduction is agreed.

These particulars are intended as a guide only and do not form part of any contract. BPS Lettings acts as principal — we take the head lease and sub-let to our clients. All measurements are approximate. Subject to availability.
